Dear Sam,

Enclosed are two sets of the information packages that were prepared for the Developers Forum for the Plainwell Mill. The information in the spiral-bound documents was developed jointly by Weyerhaeuser and the City. The stapled documents provide summary biographies of the three developers who participated in the Forum. We will be sending you the notes from the meeting once the City has commented on the draft version we sent them last week.

Please call either Jennifer Hale, at (253) 924-3746, or me, at (608) 662-5307, if you have any questions about the Plainwell Mill site.

Thank you,

*Linda Hicken*
